Dear colleagues,

This is my pleasure to invite you to take part in the APEC meeting “Use of energy resources of near-shore areas of the APEC economies as a stable source of green power in the region” that will be held in Vladivostok, Russia on the 9th-10th December, 2010.

This self-funded event is sponsored by the Russian Federation. It represents Research Conference with the participation of a wide range of scientists and researchers from well-known Russian Institutes and energy companies. In the framework of this Conference it is assumed to conduct the research on the distribution of the energy potential resources, determining and evaluating prospective sites to build energy-generating facilities using ocean currents and sea straits within some economies of APEC.

For further information please contact Ms. Maria Bunina via e-mail: [BuninaMV@minenergo.gov.ru](mailto:BuninaMV@minenergo.gov.ru) or tel.: (495) 631-94-38.

Best regards,
